## Analytical services

The last chance to get your wine right: Pre-bottling analysis. Greg Howell. 618: 64-66

## Barrel racks and handling

Steady numbers: French barrel production. Nathan Gogoll. 621: 94

Barrel care advice. 612: 81

## Bird control

Vineyard bird management. Cathy Fisher. 621: 47-49

Attracting birds of prey to help with pest control. Nathan Gogoll. 622: 62-64

Net necessity: The physical barrier. Emilie Reynolds. 623: 50-52

## Bottling, labelling and packaging

50-year milestone for bag-in-box. Nathan Gogoll. 613: 10-14

Telling the story of Seabrook generations. Nathan Gogoll. 617: 103

The Archibald Project. Emilie Reynolds. 620: 92

Screwcap still overwhelmingly preferred. Nathan Gogoll. 621: 60-66

Innovative packaging: Super premium with a twist. Nathan Gogoll. 622: 100-102

Dare to be different. Nathan Gogoll. 623: 86-87

## Business and technology (also see information technology)

Make sure you agree with your agreement. Nathan Gogoll. 612: 82-83.

Think green: LED lighting. Nathan Gogoll. 614: 82

Fast five: Insurance for export receivables. Steven McInerney. 614: 83

R&D tax incentives. Tim Edgecombe. 614: 84

Wine Australia audits on the rise. How compliant are you? Joshua Abra. 616: 92-93

Alternative varietals: On-premise report. Peter McAtamney. 622: 104-105

Software solutions. 616: 96

US market expertise shared in Melbourne. Emilie Reynolds. 621: 102

## Crushing and pressing

Developments in destemming and sorting technology- Part 1. Simon Nordestgaard. 617: 96-102

Developments in destemming and sorting technology- Part 2. Simon Nordestgaard. 618: 27-29

History of wine presses- Part 1: Batch presses. Simon Nordestgaard. 619: 64-71

History of wine presses- Part 2: Continuous presses... and what next? Simon Nordestgaard. 620: 73-79

## Education, employment and training

A new crop of leaders. Nathan Gogoll. 612: 12.

How to: Write a standout job description. Emilie Reynolds. 612: 84.

Five signs you are interviewing a liar. Emilie Reynolds. 613: 84

Mental illness: How can you help? Emilie Reynolds. 614: 80

AGL wine excellence scholarship working with TAFE. Nathan Gogoll. 616: 88

EIT's class of 2014. Nathan Gogoll. 616: 89

Study Australian wine online. Emilie Reynolds. 616: 90

Penalty rates, hidden compliance costs come out in survey. Emilie Reynolds. 616: 91

The cycle of the 'boys club'. Emilie Reynolds. 620: 93

Leading wine educator. Nathan Gogoll. 620: 93

Wine101x claims two national awards. Emilie Reynolds. 623: 12

How to: Get the best vintage casuals. Emilie Reynolds. 623: 90-91

## Environmental management

Drum Muster celebrates mile stone. Nathan Gogoll. 617: 65

The effect of climate change. Nathan Gogoll. 618: 42

## Export, insurance and finance

The value of Australian wine exports rises. 613: 15

Trademarks in China. 614: 81

How to return to growth? Lessons from previous wine cycles. Kym Anderson. 616: 33-38

Australian SMEs hold their own amid consolidation. Nathan Gogoll. 616: 45

Top tips: Entering Asia. Emilie Reynolds. 617: 106-109

China set to dominate Asia's growth in wine imports. Nathan Gogoll. 617: 110-111

The key to exporting successfully to China. 618: 69-70

From hawthorns to dragon fruits: A Chinese taste of Australian wine. Nathan Gogoll. 619: 99

How to find a buyer or investor: An advisor's tips for achieving the best results. Stephen Strachan. 621: 36-40

## Fermentation

Ferment sensor technologies put through their paces. Neil Scrimgeour. 621: 68-74

When winemakers do everything correctly: The challenge of difficult-to-ferment juice. Vidhya Ramakrishnan, Lucy Joseph, Koichi Sakamoto, Peter Luong, Qingwen Fan, Yan Luo & Gordon Walker. 621: 88-92

## Fertilisers and nutrition

Limestone coast soil stewards get 'down and dirty'. Nathan Gogoll. 619: 62

Ready, set, no... Mark Greenspan. 622: 58-60

## Filtration and clarification

Five characteristics explained. Paul Bowyer. 614: 64-67

Adaption cross flow filter. Nathan Gogoll. 617: 105

Is the drinking water at your winery safe to drink? Greg Howell. 622: 94-96

## Frost management

Frequently asked frost questions. Emilie Reynolds. 616: 63

Assessing bud fruitfulness in frost-affected Barossa vineyards. Amanda Mader. 618: 31-33

Case study: Post frost management strategies. Amanda Mader. 619: 26-28

## Grapegrowing

Wild weather set to impact on Vintage 2015. Emilie Reynolds. 612: 18-22.

Adding more layers to Shiraz. Nathan Gogoll. 612: 28-29.

International grapevine root symposium. Everard J Edwards. 612: 32-33.

Grapevine virus elimination by Waite Diagnostics: Road testing a rapid anti-virus program.

Nuredin Habili, Qi Wu and Rodney Davies. 612: 34-35.

The alternative path isn't always easy street. Nathan Gogoll. 613: 22-24

Economic impact of eutypa dieback. Michael J. Sipiora & Steven Cuellar. 613: 26-29

Shiraz in a future climate. Dale Unwin, Karl Sommer, Rachel Kilmister, Mahabubur Mollah & Everard Edwards. 613: 30-31

Influence of cane diameter on gross profit. Mark Eltom, Chris S. Winefield & Mike C.T. Trought. 614: 34-36

Creating resilient landscapes in the Barossa. Nicki Robins. 615: 52

The relative sustainability of organic, biodynamic and conventional viticulture- Part 1. Christopher Penfold, Luke Johnston, Petra Marschner, Susan Bastian & Cassandra Collins. 616: 40-44

8000 vintages of Georgian grape and wine experience to learn from. Lado Uzunashvili. 616: 48-50

Measuring nutrients in grapevines. Nathan Gogoll. 616: 51.

When little things make a big difference. Nathan Gogoll. 616: 52

The relative sustainability of organic, biodynamic and conventional viticulture- Part 2. Christopher Penfold, Luke Johnston, Petra Marschner, Susan Bastian & Cassandra Collins. 617: 58-64

Overcoming bushfire smoke taint. Nathan Gogoll. 618: 41

Truly sustainable viticulture must start at the roots. Federica Gaiotti & Diego Tomasi. 619: 51-57

Assessment of relationships between grape chemical composition and grape allocation grade for Cabernet Sauvignon, Shiraz and Chardonnay. Paul Smith. 620: 30-32

Sustainability awards for De Bortoli. Emilie Reynolds. 620: 39

Gemtree Wines backs Australian Organic Awareness Month. Nathan Gogoll. 620: 40-41  
 Update from leading US grapevine pathology. 620: 54  
 The landscape and vineyards of the Murray Basin. David Farmer. 621: 25-34  
 Malbec geeks in Langhorne Creek. Nathan Gogoll. 622: 38-40  
 Slip, slop, slap. Nathan Gogoll. 623: 25-28  
 Australia's Italian grapeline. Marco Bertagni. 623: 34-37

### Harvesting

Rain keeps vintage on track. Nathan Gogoll. 623: 29

### Information technology

A smartphone app could help growers optimise vine balance. 618: 30  
 Yield estimation software. Nathan Gogoll. 619: 38-39  
 Information sources and decision making. Megan Hill & Sandy Hathaway. 621: 75-78  
 Smartphone app field assessment of powdery mildew. Eileen Scott. 622: 46-47

### Irrigation

Irrigation and nutrition: Start early to prepare for next season. Dr Jason Smith & Dr Bruno Holzapel. 615: 44-48  
 Irrigation automation experts. 616: 53  
 Below the surface. Nathan Gogoll. 617: 68-69  
 Everyday monitoring of stem water potential for decision making in irrigation of grapevines. Michael Kopyt & Shlomo Tsadok. 618: 44-48  
 Where to install soil moisture sensors. Fritz Westover. 620: 45-48

### Laboratory equipment and services

Vintessential survives 20 years of testing times for the wine industry. Greg Howell. 617: 89  
 Equipping large winery laboratories. Jean L. Jacobson. 623: 71-74

### Mildew control

International research on downy and powdery mildew. Eileen Scott, Tijana Petrovic, Barbara Hall & Bob Emmett. 614: 23-26  
 Protecting winegrapes from mildew. Nathan Gogoll. 619: 58-60  
 A diagrammatic key to assist assessment of powdery mildew severity on bunches. Eileen Scott, Timothy Zanker, Tijana Petrovic, Olena Kravchuk, Barbara Hall, Kathy Evans, Wade Perry & Bob Emmett. 623: 26-49

### News

Accolade Wines launches new magnum-size cask. Emilie Reynolds. 614: 15  
 Proposed foreign investment threshold. 614: 18  
 Boutique focus for university winery. Emilie Reynolds. 615: 10  
 Organic wine deal with China. Emilie Reynolds. 615: 11  
 Winemaker faces court. Emilie Reynolds. 616: 75  
 Senate inquiry into the industry. Nathan Gogoll. 617:10-12  
 Kemble rekindles winemaking with his latest drops. Emilie Reynolds. 617:93  
 Bray attains Hunter legend status. Emilie Reynolds. 618: 18-19  
 Decision time for Australian wineries. Nathan Gogoll. 619: 14  
 Whole value chain trade show. Emilie Reynolds. 619: 17-20  
 Treasury turnaround. Emilie Reynolds. 620: 10  
 Accolade Wines buys Chile's Vina Anakena. Emilie Reynolds. 621: 13  
 Industry agreement on how to tackle the downturn. Emilie Reynolds. 621: 14  
 FARE not playing fair: Winemakers' Federation hits back. Nathan Gogoll. 621: 18  
 Senate Inquiry begins. Sonya Logan. 612: 19  
 Second round of TWE winery closures. Emilie Reynolds. 622: 14  
 Cold Logic takes our Supplier of the Year at WISA awards. 622: 21

### Oak

Seasoned barrels deliver the goods. Emilie Reynolds. 614: 70-71  
 Safe approach for handling oak powder. 616: 79-80  
 Oak addition trials. 616: 81-82  
 Genetic testing now available for French oak. Diana Macle. 618: 72  
 Oak sales remain strong. Andrew Adams. 622: 90-93  
 Latest directions in oak: Trends and the future. Graeme Little. 623: 76-80

### Pest and disease management

Biosecurity being tackled on two fronts. Emilie Reynolds. 620: 26-28  
 New restriction on captan use. Nathan Gogoll. 620: 51

Controlling botrytis organically. 620: 53

A new disease in the vineyard: Grapevine leaf mottling and deformation. Elisa Angelini, Irene Bazzo, Nadia Bertazzon, Luisa Filippin & Vally Forte. 622: 48-52

### Profiles

Young Gun: Gwyn Olsen takes on world. Emilie Reynolds. 612: 52-54.  
 Smart + sustainable Jana Shepherd. Emilie Reynolds. 613: 32-33  
 Cheers to you, Mr Robinson. Emilie Reynolds. 614: 30-31  
 Lazy Bones: Jo Perry's ironic nickname. Emilie Reynolds. 615: 74-75  
 10 questions with Stuart Barclay. Nathan Gogoll. 615: 76  
 The Portuguese influence: Simon becomes Simao. Emilie Reynolds. 616: 76-77  
 Tom Stephens' life in the vineyard turns full circle. Nathan Gogoll. 617: 76-77  
 Fresh. Energetic. Altmann. Emilie Reynolds. 617: 90-91  
 Meet the Future Leaders. Nathan Gogoll. 618: 13-15  
 The Duffy Duo. Emilie Reynolds. 618: 34-35  
 Kent Brown from WineWorks. Emilie Reynolds. 618: 75  
 Can't sit still: Bleasdale's energiser bunny. Emilie Reynolds. 619: 40-41  
 Michael Glover: Wine philosopher back on home soil. Emilie Reynolds. 619: 74-76  
 The X-factor. Emilie Reynolds. 620: 68-69  
 Meet New Zealand's best young viti. Emilie Reynolds. 621: 45-46  
 Skill and tenacity. Nathan Gogoll. 622: 65-71  
 My brother's cooper. Nathan Gogoll. 622: 72-75  
 Unico Zelo: Unique and passionate. Emilie Reynolds. 622: 79-81  
 A champion for viticulture: Muntzy's leadership spiel. 623: 30-31

### Pruning, training and trellising

Pruning time and temperature influence wine attributes. 614: 38-40  
 Pruning back grapevine trunk disease. 614: 41-42  
 Second round of pruning trials. Victor Sadras. 615: 53  
 The progress of the robotic pruner. Michael S. Lasky. 616: 62  
 Eutypa breakthrough in time for pruning season. Nathan Gogoll. 616: 54-58  
 Delayed pruning shifted Shiraz maturity by two weeks. Nathan Gogoll. 617: 66-67  
 Big turnout at Barossa Pruning Expo. Nathan Gogoll. 618: 51-53

### Refrigeration and cooling

Improving refrigeration efficiency and reducing electricity use. 613: 69-72  
 Refrigeration- opportunities to save costs. 613: 73-74  
 Energy savings delivered in McLaren Vale and Margaret River. Nathan Gogoll. 621: 95-96

### Roundtable

The benefits of industry education programs. Daniel and Fiona Habermann, Corrina Wright, Adam Wadewitz. 612:8-10.  
 Pruning snapshot. Steven Raidis, Liz Riley, Ben Rose. 615: 49-50  
 State of the industry. Lawrie Stanford, Paul Evans, Matthew Moate & Sid Patel. 616: 68-74  
 Design as strategy. David Talbot Price, Richard Owens, Damian Hamilton & Nine Chalmers. 618: 77-79  
 Oak alternatives. Jeremy Nascimben & Sam Brewer. 620: 82-85

### Sales and marketing

Major contact for Phoenix Society. Nathan Gogoll. 612: 80-81.  
 Storytelling is the new marketing. Meg Houston Maker. 614: 51-52  
 The influence of mobile apps on wine purchases. Megan K. French & Rick Breslin. 614: 53  
 Wine labels: What's on the outside matters. Emilie Reynolds. 614: 75-78  
 The Yellow Tail story. Adam Teeter. 615: 77-79  
 High prices at Barossa wine auction. Emilie Reynolds. 616: 83  
 Wine Australia's market program guide. Emilie Reynolds 616: 84  
 Communication and competition on WineTech's agenda. 616: 86  
 Lessons from the craft brewery. Emilie Reynolds. 617: 104  
 WINE is coming. Emilie Reynolds. 618: 73-74  
 Use of social media in the Australian and New Zealand wine industries. Sharon L Forbes, Steve Goodman & Rebecca Dolan. 619: 95-97  
 Which wines will China be drinking in 10 years. Dong Li. 620: 88-89  
 Cellar doors holding selling power for wine brands and regions. 620: 90-91  
 Using Instagram to market your winery. Emilie Reynolds. 621: 99- 101

### Special reports

My View: Unity is the key when tackling industry issues. Tony D'Aloisio. 612: 7.

Ask the AWRI: Effects of hot and dry conditions. 612: 38.  
 Crowd-funded winery expansion. Sarah Collingwood. 613:7  
 Risky business: Quad bike safety relies on the right attitude. Emilie Reynolds 613: 35-38  
 Ask the AWRI: Avoid mousy, off flavours. 613: 50-51  
 Plans to wind back foreign eligibility on Aussie WET gain traction. Nathan Gogoll. 614: 10-14  
 Ask the AWRI: Rainfall close to harvest. 614: 32  
 Success story from somewhere off the radar. Emilie Reynolds. 614: 56-58  
 My View: Invigorating the palate for Australian wine. John Hart. 615: 7  
 Top 20 Australian wine companies. Nathan Gogoll. 615: 22-35  
 Skills with the still. Nathan Gogoll. 615: 63-67  
 Wine on TV. Nathan Gogoll. 615: 70-72  
 Ask the AWRI: Copper: friend or foe? 615: 73  
 My View: Political correctness and wine advertising. Mitchell Taylor. 616: 21  
 Best of boutique. Nathan Gogoll. 616: 22-28  
 Ask the AWRI: Unmanned Aerial Vehicles (drones) and viticulture. 616: 47  
 60 years at the AWRI- a brief look back. Nathan Gogoll. 616: 64-67  
 My View: A plan for the wine industry or a missed opportunity. Stuart Thomson. 617: 22  
 WineTech 2015. Nathan Gogoll. 617: 30- 57  
 On the right road at Murray Street. Nathan Gogoll. 617: 80-82  
 There's no middleman when it's straight From the Producer. Emilie Reynolds. 617:86-88  
 Ask the AWRI: Trouble-free packaging. 617: 92  
 The letter that shocked the wine industry. Nathan Gogoll. 618: 10-11  
 My View: You are in for one hell of a ride. Brad Wehr. 618: 12  
 Ask the AWRI: Bunch stem necrosis. 618: 36  
 My View: Is this the best strategy for the Australian wine sector. Simon Berry. 619: 10-11  
 Nigel Blieschke's Future Leaders Diary: Part 1. Nigel Blieschke. 619: 16  
 Ask the AWRI: Wine consumption and heart health. 619: 72  
 My View: Pop-ups and unusual partnerships: Opportunities for the Australian wine industry.  
 Natasha Rastegar. 620: 11  
 #RealReviews. Nathan Gogoll. 620: 14-16  
 Ask the AWRI: DIY haze and deposit identification. 620: 87  
 My View: Riverland reflections. Henry Crawford. 621: 10  
 Nigel Blieschke's Future Leaders Diary: Part 2. Nigel Blieschke. 621: 16-17  
 Ask the AWRI: Nitrous oxide and viticulture. 621: 42-43  
 My view: Re-think Australian wine: 21<sup>st</sup> Century Vino in London. Sue Bell. 622: 10  
 Tasmania: high risk and high reward. Nathan Gogoll. 622: 30-35  
 Ask the AWRI: Spoilage due to lactic acid bacteria. 622: 76-77  
 My view: The next few weeks will be crucial. Paul Evans. 623: 10  
 Milestones and achievements. Nathan Gogoll. 623: 16-20  
 Ask the AWRI: Skipping vineyard sprays in dry years. 623: 38  
 Benchmarking the big red of Rutherglen. Nathan Gogoll. 623: 60-62

### **Spraying and spray technology**

Alternative options are required. 621: 58-59

### **Tanks and storage**

Barrel-to-bottle hygiene. 613: 75-76  
 50,000 cases per month- and growing. Nathan Gogoll. 619: 86-91  
 Better use of transfer hoses: A safety and comparative view. Nathan Gogoll. 621: 106-107  
 Pumps for moving juice, must and wine. Curtis Phillips. 622: 82-87

### **Trellising**

Versatility the key to tough times. Emilie Reynolds. 615: 60

### **Vineyard equipment and machinery**

Do Unmanned Aerial Vehicles (drones) offer new opportunities to viticulture? Tony Proffitt. 615:  
 38-43  
 Heavyweight vineyard champion. Nathan Gogoll. 616: 59  
 New technologies help realise vineyard of the future. Steve Tyerman. 616: 94-95  
 Quantum Mist- a quantum leap in horticultural application. 617: 72  
 A new scientific tool for Australian vineyards. Matthew Siebers. 619: 32- 33  
 The new benchmark for tractor economy. Nathan Gogoll. 619: 50  
 Will the low Aussie dollar mean higher machinery costs? Emilie Reynolds. 622: 36  
 Global trends have upsides for Australian farmers. Nathan Gogoll. 623: 40-45

### **Vineyard management**

Vineyard water management under any conditions. Dr Mark Greenspan. 614: 43-44

They say necessity is the mother of invention. Nathan Gogoll. 615: 56-59  
 Post-harvest care. Nathan Gogoll. 615: 62  
 Big changes to Entwine. Emilie Reynolds. 619: 30  
 2015 Vineyard Survey: An overview. Lawrie Stanford. 622: 42-44  
 The case for a national germplasm. Prue Henschke. 623: 32-33

### **Vintage reports**

Fast & Furious 15. Emilie Reynolds. 616: 9-20  
 2015 vintage report. Some hints of opportunity. Emilie Reynolds. 619: 36-37

### **Winemaking**

International collaboration in tannin research. Peta Faulkner. 612: 45-46.  
 Good corporate social responsibility can boost your bottom line. Nathan Gogoll. 612: 48-51.  
 Social media: Measuring return on investment. Nathan Gogoll. 612: 55-58.  
 Along came the cider. Nathan Gogoll. 612: 59-60.  
 Let's make cider, what could possibly go wrong. Norman Lever. 612: 61-62.  
 Wine bacteria to control volatile phenols and Brettanomyces. Sibylle Krieger-Weber, Magali  
 Deleris-Bou and Ann Dumont. 612: 63-69.  
 Another whack of the dragon's tale. Greg Howell. 612: 72-74.  
 Winery waste helps save energy and supply key ingredients. Nathan Gogoll. 612: 76.  
 Effects of oxygen exposure during pressing and juice/ wine handling. Martin P. Day, Simon  
 Schmidt & Eric Wilkes. 613: 41-44  
 Swiss mission for Aussie winemaker. 613: 45-46  
 Sauvignon Blanc: Upwards and outwards to appeal to a wider audience. Sharon Nagel. 613:  
 48-49  
 Just chips and gravy, or a bigger issue? Nathan Gogoll. 613: 52-55  
 Radical development in testing for Brett. Emilie Reynolds. 613: 78-79  
 Metro winemaking. Nathan Gogoll. 614: 46-49  
 My wine had low turbidity but still needed extensive filtering- why? Greg Howell. 614:62-63  
 New test in the battle against Brettanomyces. Greg Howell. 617: 84-85  
 Terroir and subregionality. James A Hall. 618: 55-61  
 Ageing wine in IBC. Nathan Gogoll. 618: 62-63  
 Generating Nitrogen to cut costs and improve productivity. Nathan Gogoll. 619: 92-93  
 Lower alcohol wine: A winemaker's toolbox. Alison Crowe. 620: 62-64  
 The adaption of innovations by Australian grapegrowers and winemakers. Megan Hill & Geoff  
 Cowey. 620: 70-72  
 Little known Riesling facts. Ken Helm. 621: 79  
 Why wines with low sugar-free extract are being rejected in China. Greg Howell. 621: 80-83  
 Extraction of polyphenolic substances: Sensory properties and preserving colour. Enzo Cag-  
 nasso. 623: 53-57  
 How important is seed colour? Nathan Gogoll. 623: 63  
 Explosive idea: The Wine Grenade. Nathan Gogoll. 623: 82

### **Winery design and construction**

Good winery design for winemaking success. Nathan Gogoll. 621: 103  
 New home of Petaluma. Emilie Reynolds. 621: 104  
 Next gen sustainable solar wineries. Ian Jeffrey. 623: 58-59

### **Winery waste and wastewater**

Grape waste could make competitive biofuel. Emilie Reynolds. 620: 65  
 Water into wine: The economic and sustainability impacts of water management. 621: 50-52  
 Extra access to water. 622: 56  
 Winery wastewater a viable water source for vineyards. 622: 57

### **Wine shows, workshops, expos and trends**

Bordeaux trade show. Simon Nordestgaard. 612:39-44  
 Team Australia impresses at Vancouver International Wine Festival. Emilie Reynolds. 615: 12-15  
 Return of the SA Wine Grape Growers' Summit. Emilie Reynolds. 616: 60  
 Michael Pascoe to present at Wine Grape Growers Summit. Nathan Gogoll. 617: 71  
 Weighty return for growers from award winning 'innovation'. Emilie Reynolds. 619: 44  
 Experts meet in Montpellier. Victor Sadras. 619: 46-49  
 Winery Engineering Association 2015 National Conference & Exhibition. 619: 78-85  
 The sparkling trend: Prosecco. Emilie Reynolds. 620: 34-38  
 21<sup>st</sup> century vino in London. Walter Speller. 620: 66-67  
 Sustainability on the agenda at the McLaren Vale wine show. Emilie Reynolds. 621: 98  
 WineEng 2015: Excellence in winery operations and asset management. David Clark. 622:  
 88-89

SIMEI 2015 Innovation Challenge. Nathan Gogoll. 622: 106-107

Record entries, massive medal haul. Emilie Reynolds. 623: 64-66

Wine industry's largest networking event. Nathan Gogoll. 623: 84-85

**Yeast, additives and enzymes**

Yeast Q&A: Quick updates from AB Mauri. Ian Walsh. 623: 75

**Major New Zealand articles (others included above)**

Top 5 New Zealand wine companies. Nathan Gogoll. 615: 36-37

New Zealand vintage wrap. Emilie Reynolds. 617:14-17
