## ■ grapegrowing

### 18 Wild weather set to impact on Vintage 2015 ..... 18

Variable weather across spring and early summer brought early budburst to most regions, as well as a mix of risks – everything from frost to hail.

### People & places: Movember .....27

### Adding more layers to Shiraz.....28

Barossa winemakers and grapegrowers recently had the opportunity to taste a selection of wines made from heritage shiraz clone vines.

### Photo competition finalists .....30

With more than 160 quality entries, selecting the best photos was not easy.

### International grapevine root symposium .....32

**Everard J Edwards**, from the CSIRO, recently attended the first International Symposium on Grapevine Roots, held in Italy. He has summarised the event in this report.

### Grapevine virus elimination.....34

**Nuredin Habili** reports on the process and its benefits.

## ■ winemaking

### International collaboration in tannin research.....45

Scientists are working to unravel the link between tannin structure and their extraction during winemaking.

### Corporate social responsibility.....48

### Young Gun: Gwyn Olsen takes on world .....52

This winemaker landed her first job at a French winery after running her application through an auto-translate website.

### Social media: Measuring return on investment .....55

One of the key things, as with all marketing, is setting your objectives first. Work out what you want to achieve, then you can plan how to do it and set goals to measure how well you are doing.

### Along came the cider.....59

### Let's make cider, what could possibly go wrong? ..... 61

Norman Lever, Alepat Taylor senior winemaker, takes a look at the potential issues winemakers need to be aware of if they are contemplating making cider.

### Wine bacteria to control volatile phenols and Brettanomyces .....63

### Another whack of the dragon's tail.....72

Problems with sugar content on labels for China

### Winery waste helps save energy and supply key ingredients .....76

### Dangers in the Winery: Carbon dioxide and other gasses .....79

## ■ sales & marketing

### Major contract for Phoenix Society .....80

The Phoenix Society, a leading South Australian social enterprise, has entered into a partnership with specialist Barossa wine packaging company Vinpac.

## ■ business & technology

### Make sure you agree with your agreement.....82

In an ideal world, the relationship between a winery and its distributor involves healthy interaction between the key people on both sides and delivers commercial success to both parties.

### How to: write a stand-out job description.....84
